050CB075A  
Two-pole cable bundle 2x0.75 mm², L 100 m, orange

## Features

|                |                                                   |
|----------------|---------------------------------------------------|
| Range          | Limit switches and cables                         |
| components     | Two-pole cable bundle 2x0.75 mm²                  |
| Code           | 050CB075A                                         |
| Description    | Two-pole cable bundle 2x0.75 mm², L 100 m, orange |
| Colour         | Arancio                                           |
| Weight - gr    | 4300.0                                            |
| Customs Tariff | 85444995                                          |
| GTIN           | 8052878048662                                     |

## Datasheet

|                           |                                                |
|---------------------------|------------------------------------------------|
| Approvals                 | CE                                             |
| Conductor                 | Plain annealed copper acc.to CEI EN 60228 cl.5 |
| Core insulation           | PVC R2 acc.to CEI EN 50363-0                   |
| Core colours              | DIN 47100                                      |
| Rated voltage             | 300/500V                                       |
| Test voltage              | 2000V                                          |
| Operating temperatures    | -20° ÷ +70°C static                            |
| Short circuit temperature | 160°C max.                                     |
| Insulation resistance     | >100 MOhm/Km                                   |
| Minimum bending radius    | 10 times the cable diameter                    |
| Cable skein lenght        | 100m                                           |
| Warranty period           | 18 months                                      |
